Senior letter regarding prom and graduation

Dear Senior Families,

We have made it to your son or daughter's last trimester of his/her high school career! This is an exciting and fun time. We, at the high school, want to make sure these fun and final events are celebrated in a very memorable but respectful way.

Prom will be at the Comfort Inn. We are going to open the doors at 6pm for socializing and pictures. Dinner will be served at 6:30pm and 7:30-10:00pm will be dancing. From 10:00pm-12:00am, we will go to Riverwood for bowling. The senior class senators are working very hard to make the prom ticket (which will include all of the above) as affordable as possible.

Each year at prom, we have just a couple students that try to enter our school event with inappropriate substances. First of all, these are against school policy and secondly, they are illegal. This year, we would like to get the parents involved early and have your support. If a student comes to prom with any illegal and inappropriate substances such as alcohol or drugs, the parents will be called to pick up their student. Also, the student will not be allowed to participate in the formal graduation/commencement ceremony on June 2nd, at 1:30pm. We would like to have you, as parents or guardians, sign the bottom of this paper recognizing this agreement in advance. By doing so, your student will be allowed to purchase a prom ticket. Your student may bring this signed slip when s/he purchases the ticket or to the main office at any time.

We thank you so much for working with us to make this year's prom an amazing event for your senior!

I realize that if my student attends prom with any illegal substance, I will be called to pick up my student and s/he will not participate in the formal graduation ceremony this June.
